Mobile App Development Internship 2020

Assignment #2: Consider there is a travel company offering package tour in India. Do write a program to provide a Trip Planner to customer. Say, there is a family who opted for a 15 days package and intended to visit 10 places in various cities in India. They mentioned their pick-up point is Bengaluru International Airport and Drop location is Delhi International Airport. Their preferred locations are; Bodh Gaya, Kolkata, Pondicherry, Goa, Rameswaram, Kochi, Guwahati, Haridwar, Mumbai, Kanyakumari. Your program should create best-route planner.

Note: Candidate needs to inbox this assignment to info@mavoix.in with subject Assignment#2 within 48 hours. Assignment must consist of (a) Code, (b) Output screenshot or video and (c) instruction to run the code.
